

"MY LIBRARY" Electronic Service

COBISS+ offers "My Library" service.

For registration, it is necessary to enter the membership number and password, which the user receives on becoming a library member.

The service provides:

- x Overview of borrowed materials
- x Electronic prolongation and reservation of material (material received is available 4 days)
- x Overview of debts and restrictions for the user
- x Option of password change
- x Option of entering and changing data on the e-mail address and mobile phone
- x Electronic user information

»mCOBISS« Service

mCOBISS (Slovenian virtual library on mobile devices) provides pad or phone access to information in more than 915 Slovenian libraries (<http://m.cobiss.si/>).

Remote access to e-resources

Maribor University Library (UKM) offers, on its website, access to electronic resources for the whole University. The electronic resources can be accessed from home via Electronic Resources tab.

<https://www.ukm.si/elektronski-viri>

Terms of remote access:

- x Valid student or employee status at the University of Maribor.
- x Valid (extended) Library membership

LIBRARY MATERIAL

The Library has free access and uses the UDC system for professional fields.

The users look for the desired material by themselves or in through the local COBISS catalogue.

If the material is not returned in time, a reminder fee has to be paid according to the current price of services at the University of Maribor for each unit.

Prior to the issuance of certificates of graduation, students must return all materials and settle all obligations.

All Library material is protected.

BORROWING OF LIBRARY MATERIAL

Borrowing times:

- xBOOKS and MAGAZINES: 21 DAYS
- xOTHER LIBRARY MATERIAL: 7 DAYS

Readers can prolong the borrowed book only once.

Library material can be prolonged by reservation or order when visiting the Library, by phone (02/300 47 22) or online (COBISS+ - My Library). Password is assigned in the library.

Reading room materials are available in the reading room or in the Student Club on the ground floor of the Faculty.

Out of office hours, you can return library materials by handing them to the person at the information desk in the Faculty lobby.

DLUM

Digital Library of the University of Maribor

Library collects and stores undergraduate, specialist and master theses which are available as from October 2008 onwards in digital format on the DLUM web portal. This is a single entry point for access to e-resources generated at the University of Maribor. DLUM is a repository and supports open access. it includes:

- xE- undergraduate, master's, specialist and doctoral theses of UM members
- xOnline editions of scientific and professional journals
- xPublications - published or co-published by UM
- ✕Reviewed publications from co-financed projects.
- ✕Electronic higher education textbooks and learning materials.
